## Dear Friends

Greetings from Oasis India!

We're thrilled to share some impactful stories and updates with you. In July, we had an amazing Anti-Human Trafficking Awareness Sessions across our projects in Bangalore, Mumbai, Chennai, and Churachandpur. These initiatives are crucial in our ongoing efforts to combat human trafficking and protect vulnerable communities.

We are also excited to bring you an inspiring success story from Manipur: "From Debts to Dreams Fulfilled: How Oasis India Transformed Lives in Manipur." This story highlights the positive changes we've been able to foster in the region.

We're so proud to celebrate the graduation of 11 girls from our Hairdressing and Beauty Course at the Naigaon Training Center. This achievement marks another milestone in our mission to empower individuals with skills for a brighter future.

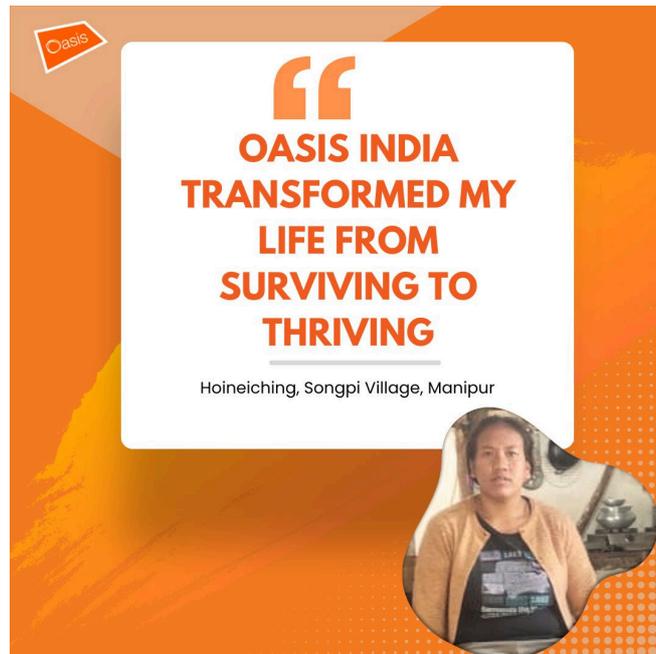

Dive in to see how we're making a difference together!

## From Debts to Dreams Fulfilled:

How Oasis India Transformed Lives in Manipur

"When Oasis India came to our village, they provided me with a female Hampshire piglet and comprehensive livestock management training. This training taught me essential piglet care, nutrition, and maintaining a healthy environment, ensuring the piglets thrived.

I am so thankful for Oasis India's support, I was able to raise healthy piglets, avoiding premature births and deaths. Financially, I earned enough to repay my debts and improve my living conditions, including plastering my previously dusty mud floor—a long-time dream.

Additionally, I supported my community by passing on a healthy piglet to another beneficiary, - the ripple effect of Oasis India's training.

Today I am proud to say that Oasis India's intervention has transformed my life from merely surviving to thriving economically and socially. I am deeply grateful for their invaluable support."
