On The Occasion Of 30th Foundation Day

Dear Friends,

I join you in spirit and I sincerely miss being there in person.

As we celebrate the 30th Foundation Day, it is daunting to find a meaningful message. As I pondered this reality, it occurred to me that each successive year of the past 3 decades, has been an extraordinarily humbling journey for all of us.

I am so happy and excited to look back and realize we have grown, sustained, remained relevant as a mission-driven charity, and not drifted away from our original Vision and Mission.

This is a celebration 30 years in the making!

For three decades Oasis India has worked to make India better for women and children through the inspired generosity of our donors and partners. And this evening, the 23rd of November, 2024, you join us to celebrate the joy and power of meaningful giving.

Our humble intent in hosting the event is to primarily thank God for you, our community, for believing in Oasis India's Vision and Mission, and for your partnership in 30 years of collective impact.

This Thanksgiving event is made possible by many past and present staff, volunteers, donors, and board members, some of whom are highlighted in our 30th Foundation Day special publication. Honestly, every single person here, onsite and online, makes this evening very special. Thank you for accepting our invitation.

For those of you who couldn't attend, we've put together a short article recapping the evening here. If you're looking for more information, you may visit our 30th-anniversary webpage, where you'll find videos and photos of this event.

We are grateful for our founding story and the decades of evolution and persistence that have created Oasis India of today!

Once again, I am grateful to each one of you and the gifts that you so generously shared to support Oasis India.

Through your support and the profound generosity of our donors and partners, Oasis India will continue to positively impact our community for generations to come. May God bless each one of us and may God bless India!

With gratitude,  
Sundeep Sadarangani

## Graduation Event

Blue Edge, an initiative of Blue Dart, in partnership with Oasis India, is more than just a vocational training program—it's a lifeline of HOPE and TRANSFORMATION for young adults from underprivileged communities.

Through basic computer skills, spoken English, and life skills classes, these students are now equipped with the skills, confidence and tools to step into the world of stable employment.

Every batch reminds us of the power of empowerment and education to change lives.

Let's celebrate their achievements and cheer them on as they embark on their new journeys!

### **Tailoring Course - Nalasopara**

26 amazing women from our Nallasopara Dhaniv Baug Training Centre graduated from our tailoring course this November, and it was more than just learning a skill—it was a journey of transformation.

These women shared heartfelt stories of how this course didn't just teach them to stitch but also helped them stitch their lives back together emotionally, socially, and financially.

Our life skills sessions played a huge role too, helping them overcome personal challenges and build resilience they never thought possible.

Here's to new beginnings and endless possibilities for these incredible women! Let's cheer them on!
